The screenshot shows the 'Products' section of the General Aviation dashboard. At the top, a blue banner indicates 'You can add 19 more product(s)'. Below this, there are buttons for 'Add new product', 'Import', and 'Export'. A search bar is present with a 'SEARCH' button. A filter section includes 'All (1)', 'Online (1)', and 'In stock (1)' filters, along with 'FILTER' and 'Reset' buttons. A 'Bulk Actions' dropdown is set to 'APPLY'. The main table lists products with columns for 'IMAGE', 'NAME', 'STATUS', 'SKU', 'STOCK', and 'PRICE'. One product is listed: 'Beechcraft B200 King Air' with a status of 'Online', 'In stock', and a price of '850,000,00€'. A sidebar on the left contains various navigation options like 'Orders', 'Reports', and 'Settings'.

Go to your Dashboard, select Settings, and then Store

This screenshot shows the 'Settings' menu open in the dashboard. The 'Settings' option is highlighted in orange. A sub-menu is visible, listing options such as 'Store', 'Payment', 'Verification', 'Shipping', 'ShipStation', 'Social Profile', 'RMA', and 'Store SEO'. The background shows the same product table as the previous screenshot, but with an additional 'TYPE' column showing 'Published' for the 'Beechcraft B200 King Air' product.

WhatsApp & customized button

The image shows a screenshot of a website's settings page, specifically the WhatsApp integration and customization section. The page is divided into two main panels. The left panel contains settings for enabling support and live chat, and for adding a WhatsApp number. The right panel shows a sidebar menu with 'Settings' highlighted, and a form for configuring the store's location and address.

The screenshot shows a website interface for 'GENERAL AVIATION'. The top navigation bar includes links for HOME OF AIRCRAFT, BUY AIRCRAFTS, SPARE PARTS, DEALERS, JOBS, OTHER SERVICES, MEMBERSHIPS, CONTACT, and MY ACCOUNT. The main content area displays aircraft specifications: Serial Number: N/A, Registration: EASA or OE-MRG, Landings: 1657, Engine Program: no, Engine 1 TSN: 1240 hours, Engine 1 TBO: 235 hours, Engine 2 TSN: 1300 hours, Propeller 1 TSN: 500 hours, and Propeller 1 TBO: 500 hours. A vendor profile for 'RG Airshop' is shown with a 5-star rating and the text 'Sold by: Marc RG | Contact'. Below this, there are tabs for DESCRIPTION, **VENDOR INFO**, MORE PRODUCTS, and PRODUCT ENQUIRY. The 'Vendor Information' section lists: Store Name: RG Airshop, Vendor: RG Airshop, Address: Barcelona, and No ratings found yet! Two buttons, 'CHAT NOW' and 'MESSAGE SELLER', are circled in yellow. At the bottom, there are social sharing options: 'Tweet This Product', 'Share on Facebook', and 'Mail This Product'. A WhatsApp icon is also circled in yellow in the bottom right corner. A large yellow arrow points from the WhatsApp icon to the 'CHAT NOW' button.

Here you can see the WhatsApp symbol and the customized button to receive inquiries from those interested in that product.
